

RUSSIN “ADVANTAGE” WARRANTY

“ADVANTAGE” has been designed as an exterior, above ground trim product. It has been designed to be used in areas where it will shed water. It can be used in many creative ways to enhance the home.

TOP COAT INSTRUCTIONS & WARRANTY

Russin’s “ADVANTAGE” white primer, manufactured by Zinsser is designed as a “universal top coat primer” system. The system is formulated to promote excellent adhesion to a variety of quality exterior topcoats (both oil base and 100% acrylic systems).

Prior to the installation of the finish coat, the installer must insure the primer is free of dirt, oil, and any contaminations before applying the topcoat.

When applying a topcoat in the field, follow manufacture recommendations for application and film thickness.

When installed properly, Zinsser will assume the specified topcoat warranty for the primer/topcoat system. Please refer to the manufacturer’s topcoat/primer warranty for details.

ZINSSER PRIMER – 5 YEAR WARRANTY*

All substrate that has been coated to “ADVANTAGE” specifications as defined by Russin Lumber Corp., is hereby warranted against the following for a period of five (5) years from the date of installation.

Crack, Peel, and Flake resistance:

Finish will not crack, peel or flake.

Non-Yellowing:

White color will not yellow due to age.

The coating will continue to protect the substrate.

The coating will be suitable for re-coating.

SUBSTRATE – 10 YEAR WARRANTY*

Russin Lumber Corp. warranties “ADVANTAGE’S” end and edge gluing for 10 years, provided it has been properly top coated and maintained in accordance with industry standards. Russin Lumber Corp. will repair or replace, at its option, without charge, any “ADVANTAGE” product found to be defective within the warranty period. Such repair or replacement is the exclusive remedy for breach of warranty, with no consequential or other damages recoverable. A condition of this warranty requires notice to Russin Lumber Corp. within thirty (30) days of discovery of an alleged defect. Russin Lumber Corp. maintains the option to inspect the alleged defect prior to repair or removal, at its sole discretion. Failure to provide notice or allow inspection will void this warranty.

*In order for the above warranties to be in effect the installer must reseal any cut ends and any areas around fastening devices, ie; nails, screws, staples, etc. with 100% Acrylic or oil primer. This product is not intended to be used as siding.

*Installation must be made so the product is not allowed to come into contact with the ground, standing water, standing snow or ice.

Russin Lumber Corp.’s warranty is limited to the above Limited Warranty. There are no warranties, expressed or implied including merchantability, beyond the above Limited Warranty.
