

SYMMATRIX™

CLASSIC ELEGANCE SERIES RAILING

SYMMATRIX™ Classic Elegance Series Railing from Dow is fabricated from extruded profiles made with wood flour and PVC resin. It is specially formulated and manufactured for optimal beauty and performance.

Benefits of SYMMATRIX™ Classic Elegance Series Railing:

- Low maintenance (no sealing, painting or staining required)
- Weather resistant
- Available in kits of 6' and 8' lengths and bulk packaging
- Balusters and rails are pre-drilled for ease of installation
- Available in four complementary colors plus pearlescent white
- Easily installed with standard tools and fasteners

SIZES.

SYMMATRIX™ Railing is available in two widths and two lengths, depending on your decking needs.

TABLE 1

Railing Products Dimensions	
Product	Dimensions

- Stair Rail 6' Hardware Pack	
- Guard Rail 8' Hardware Pack	
Bracket Replacement Packs	
- Guard Rail Bracket Replacement Pack	
- Stair Rail Bracket Replacement Pack	
- Pivot Bracket Pack	

COLORS.

SYMMATRIX™ Railing is available in four colors plus pearlescent white that complement SYMMATRIX™ Scenic Series Decking.

DESIGN AND INSTALLATION.

Designing with SYMMATRIX™ Classic Elegance Series Railing is easy. No special tools or fasteners are needed to install SYMMATRIX Railing. Dow recommends the use of corrosion-resistant screws designed for composite materials.* For specific installation instructions, visit www.dowsymmatrix.com or call 1-866-583-BLUE (2583) and request form number 179-07756.

MAINTENANCE.

SYMMATRIX™ Railing requires minimal maintenance. It does not require sealing, staining or painting.

*™Trademark of The Dow Chemical Company ("Dow") or an affiliated company of Dow

*Dow recommends using carbide-tipped blades to help reduce wear. Dow also recommends using 2-1/2" corrosion-resistant screws (e.g., SplitStop screws from Titan Metal Werks, Inc. or FastenMaster TrapEase composite deck screws from OMG, Inc.).

CLEANING.

For best appearance, SYMMATRIX™ Railing should be cleaned regularly with hot, soapy water. Cleaning products containing a phosphoric acid base can help remove ground-in dirt or rust marks. Conventional deck cleaners that contain sodium percarbonate and detergent can be used to lessen mold stains. Test all cleaners on an inconspicuous area before cleaning all railing. Pressure-washing and sanding are not recommended, and will invalidate the warranty coverage.

DISPOSAL.

All disposal practices must be in compliance with all federal, state/provincial, and local laws and regulations. Consult Dow or the MSDS for more details.

WARRANTY.

SYMMATRIX™ Classic Elegance Series Railing is covered by a 15-year limited warranty. Refer to the warranty, form number 179-07733, for details.
